

BATD. SCOTTISH WEST ANNUAL SEQUENCE DANCE

The 11th Annual Sequence Dance was held on Sunday 11th April 2010 in the Banqueting Suite of the County Buildings Hamilton.

This was a new venue for the dance and it proved to be a very popular choice. Numbers were limited as the hall was much smaller than our normal venue.

The numbers attending were very good with 120 dancers of which 30 were professionals.

The dancers enjoyed an excellent afternoon with a varied programme of dances.

A special thank you must go to Mr George McDonald who provided the music for the afternoon his superb selection of music was the icing on the cake of a wonderful afternoon's dancing.

Our Compare for the afternoon was the Associations Vice President Mr John Comrie who did a marvellous job.

Many thanks go to all the professionals who attended on the day and led off the dance they had chosen from the programme.

Special thanks' goes to June Fortheringham and Renee Turner the other two members of the organising committee for their hard work in ensuring a very successful day.

Throughout the day and afterwards many of those attending commented on the venue saying that it was a marvellous hall for a dance, that they had enjoyed a tremendous afternoon dancing and lets have another one soon.

So with this in mind we have decided to arrange another dance in October or November.
