

CONGRATULATIONS ON 45 YEARS OF TEACHING

On Saturday June 18, 2011 B.A.T.D. Highland Examiner Anne Sutherland was honoured with a surprise Celebration of her forty-five years of Teaching Highland Dancing in London Ontario Canada.

The email, face-book and video messages from all over the dancing world were very much appreciated.

It was a wonderful evening.

Congratulations

to Marjorie Anne Sutherland

A wonderful celebration on Marjorie Anne Sutherland's 45 years of teaching highland dancing.

A family of pipers and dancers in attendance with pupils of today and former years. Anne has taught BATD highland methods in both theory and dance to a high standard with many students qualified as professional teachers.

Great memories and stories would be discussed at this event with a guaranteed long lasting memory of the highland outfit cake of a proper tartan. Fantastic!

Wishing you Marjorie Anne many more years of success in dancing.
