

# CONGRATULATIONS

## TO LEIGH-ANN ON HER AMAZING CLIMB!

Please convey my sincere thanks to the President, Officers and Members of the BATD for their very generous sponsorship of my Kilimanjaro climb.

I got home yesterday (2nd February 2010), having successfully completed the climb. I thoroughly enjoyed the experience despite suffering a stomach bug and some mild altitude sickness symptoms along the way. These were nothing compared to the suffering that Hazel endured with a smile and just enhanced the feeling of achievement when I was standing at 5895 meters at Uhuru Peak.

LEIGH-ANN PLENDERLEITH

Leigh-Ann raised over £2500.00 for the Maggie's Centres. Leigh-Ann did this amazing climb for her friend, Hazel Burns, who died after a brave battle with osteosarcoma cancer in November 2009.
