

SPECIAL NEEDS SYLLABUS SUCCESS!

Following several years of experience in working with adults with learning difficulties within a Theatre Company Karen Heritage revised the Special Needs Syllabus to provide a target for these students to work towards. The Stage and Ballet Committee approved the syllabus in December 2007 providing a "Certificate of Performance" on three levels, open to both children and adults. The first group took the level one examination on 1st February 2008 and felt a tremendous sense of achievement and satisfaction at their results. Miss Hazel Munroe was the examiner in this first set of exams and she says that she had a thoroughly enjoyable and uplifting morning with the students - "If only I could bottle their enthusiasm and take it away with me".

Karen was delighted for her group who were so proud of themselves and each other on their achievements and whilst this group are looking forward on level two another group are now embarking on the first level.
