

Can you believe that it's the B.A.T.D. Dance Festival's 25TH Year?

Where has the time gone??? We have many special ideas that we would like to do for this year and we need your help! We would like to put together a commemorative booklet called: *B.A.T.D. Festival Presents: 25 Years of Dance.*

As the B.A.T.D. Festival would like to put a very special program together for this upcoming year, we are still waiting for all teachers to send in their photos that have taken over the past 25 years. These pictures will be included in our booklet as well as displayed at the venue for all to see. These photos can be candid shots of competitors, teachers, winning performances, and any photos from past B.A.T.D. Dance Festivals. We will do our best to use as many different photos as possible. Please remember that they must be in high resolution (jpeg format) so that the clarity is good and can be seen clearly in the program.

Please send all photos to: Beverly Segal, 56 McKelvey Drive, Thornhill, Ontario L3T 6N7

We look forward to seeing everyone this year to celebrate 25 Years with the B.A.T.D. Dance Festival.....See you at the Chinese Cultural Centre in Scarborough, Ontario - April 15, 16 and 17, 2011.
